(Revised: Jul 21, 2016)

This table presents the Great-Branches currently included in our *Jehan Terriot Archive*. The table is sorted by order of LINEAGE which shows the most closely related branches together. Please note that Jehan's name (which starts our lineage) is not included in the lineage listings to simplify the table. The part of each branch that is unique to the rest of the family, is highlighted in **BOLD** lettering. The **LOCATION** is the **PLACE OF MARRIAGE** OF THE 9<sup>TH</sup> generation Great-Branch Ancestors to give a sense of the migration of the family.
